A Joyful song of Christmas Peace sung to the tune of **Jingle Bells**

Inspired by the storybook, **Little Lamb Finds Christmas**, Liguori Publications©2014

Jesus came!
Jesus came!
He came to make us friends!
His Christmas gifts are JOY and PEACE and LOVE that never ends. (Hey)

A long, long time ago, a brand new baby boy
Was born of Mother Mary to fill our hearts with JOY!
The sheep and all their shepherds came in to gather 'round
Because this special baby would turn frowns upside down. (Hey!)

Jesus came!
Jesus came!
He came to make us friends!
His Christmas gifts are JOY and PEACE and LOVE that never ends. (Hey)

God became a baby, in a town called Bethlehem
The king born in a stable came to make us new again.
He's building a Peaceful Kingdom, and He wants to show us how
His love brings us together; even lions, lambs and cows. (Hey!)

Jesus came!
Jesus came!
He came to make us friends!
His Christmas gifts are JOY and PEACE and LOVE that never ends. (Hey)

To BE a gift to others, Jesus please teach us how.
Fill us with Holy goodness, so we can start right now!
Help us to build Your kingdom, in the loving things we do.
Christmas is what unites us; whether we growl or baa or MOO! (Hey!)

Jesus came!
Jesus came!
He came to make us friends!
His Christmas gifts are JOY and PEACE and LOVE that never ends.
