The Prince of Peace my shepherd is,
With love that lasts forever.
I belong to Him. He knows my name,
And He will leave me never.

When I feel lost, I'm not alone,
In dark or fearful weather.
His truth and love protect me 'till
I live with Him forever.

Though lion fierce may be my foe
With Jesus, he rests meekly.
Our Lord shows us the way of peace
and loving friends will we be.

The hope He brings blesses creatures all;
No weak from strong need hiding.
His kingdom grows as my love and trust
allow His grace to guide me.

The Prince of Peace OUR shepherd is,
With love that lasts forever.
Born as a child in Bethlehem
He leads us home together.
