

The
TOTALLY Feminine GENIUS
GENERATIONS™
Book Club

Help pilot this brand new multi-generational women's book club in which adults can come alongside teen and pre-teen girls and find common ground and constructive conversation together.

This brochure is your guide to gather women, young and young at heart, to delight in the genius of femininity by reading novels that affirm faith and exemplify virtue.

Choose a TFG novel. Read it. Plan to meet for coffee, cocoa, or tea...and talk! Select the book based on the youngest age of the readers in your group. A club can be as small as 2 or as large as 12 or more. Your discussion is about the virtues you see in the book. So Simple. So profound.

The *TOTALLY Feminine GENIUS™* Generations Book Club is one of the innovative resources offered through the ministry of **VIRTUE WORKS MEDIA**.

Your feedback will help us make this the **BEST** Book Club ever!
